

RESPECT FOR LIFE BOOTH AT AUTUMN LIGHTS FESTIVAL

Our Lady Queen of Peace is having a Respect for Life booth at the Autumn Lights Festival on October 9th from 10am to 4pm.

The purpose of the booth is to educate the public. There will be no graphic pictures or strong language.

The following stations will be in the booth:

Gestation Models: showing the fetus 3, 6, and 9 weeks from conception.

89% of abortions are done between 8 and 12 weeks.

Silent No More Campaign: Women who have had an abortion are speaking out against it.

Post Abortion Healing: Retreats are available for post abortion healing

Pregnancy Crises Centers: Free counseling, support, housing are available for a Crises Pregnancy.

There will be a **free raffle**, for a dinner for two at Breezy Point on the lake, a lift ticket for Mountain Creek and two movie tickets.

We need volunteers, especially women and teens to help "man the booth".

The more volunteers the shorter the time each will serve at the booth.

If you can help even for an hour or two, please **call Dennis Guzzo at 845-477-3069**
